ACTA

Volume 47, 1963

Editor: Mary Lavedock

Do not be alarmed. Do not be afraid. These are only Monarchians, strange visitors from another planet who have come to earth for the purpose of inspecting living conditions.

The Monarchians landed on the campus of E.U.H.S. in September to study the inhabitants. As they took their tour, the Monarchians mimicked the students in an effort to understand the prevalent culture.

We hope you enjoy our efforts to record the events of this most unusual year.

TAKE ME TO YOUR LEADER!

Just a few of our leaders. These people were stopped and questioned by the Monarchians.

The other leaders were busy when this picture was taken.

BOARD OF EDUCATION

This scholarly looking group of gentlemen served in the able capacity of Board of Education for the school term of 1962-1963. It was their job to provide for the campus, including improvements and see to the personnel involved.

These men serve without monetary compensation for their efforts but not without pay. Their reward comes in the realization of the benefits and opportunities they are helping to provide for the ensuing generations of students.

John Hester, Trustee; George Dobson, Trustee; Jack Keyes, Clerk; John N. Dungan, Chairman of the Board; and Howard Way, Trustee.

CAMPUS ASSISTANTS

Ever wonder why the blackboards are so clean' shiny in the mornings? Or why you tripped and broke your ankle on a freshly waxed floor that Monday? Or why the poem you wrote on the rest room wall wasn't there the next day? Look no further. We give you the E.U.H.S. custodians.

With the clickety-clack of a typewriter and the bang of a filing drawer, these cheerful secretaries handle the front office. They print the bulletins, write out the tardy slips, issue report cards, file papers, take money and lots, lots, lots more.

Be it beans or enchiladas, fish sticks or apple crisp—they've fixed it. 'Member the buttered bread and the stew? Well these three ladies did it. It was the pleasureful duty of our cooks to provide a good, hot meal for lunch each day.

FACULTY

Deck, Homemaking; Evelyn Van Scyoc, Office Practice, Record Keeping, Advanced Eggertsen, Typing, Introduction to Business, History.

"Go Exeter High!!" This would not be an unfamiliar cry from the mother-in-law of the head of our English Department. Mrs. Castle is crazy about football and she comes all the way from Porterville to watch the Mighty Monarchs. Oh, yes, while she's here she also teaches English, Homemaking and Counsels. She is considered by students and faculty to be one of the nicest and friendliest people around.

Mrs. Marilyn Hadley is one of our two Girls' P.E. teachers. She is also a Counselor. She has a daughter who is a sophomore and two other children and she lives near Visalia with her family. Mrs. Hadley has been teaching at Exeter for a number of years and enjoys it very much.

Mrs. Katherine Mangini is the second half of the girls' P.E. program. She is pretty well known for her entertaining and most pleasing manner . . . oh, yes, and her square dancing! In fact, when we asked her, she said that dancing is what she enjoys doing most. Mrs. Mangini came from Visalia to teach, but has recently moved to Exeter.

Miss Charlyene Deck loves to sew in her spare time. She also sews in her not-so-spare time. Miss Deck is another of our Homemaking teachers and also a Counselor. Miss Deck lives in Exeter and she has been teaching at E.U.H.S. for several years.

Miss Evelyn Van Scyoc is the Librarian this year. At one time she was a member of the WAC and has taught English and Biology in this school.

Mrs. Georgia Roberson, aside from teaching freshman and sophomore Homemaking, makes a home for her husband and young daughter in Exeter.

Mrs. Fredrica Cox's main activity at Exeter is instructing typing, shorthand and business classes. It comes as no surprise, then, that Mrs. Cox is the head of the Business Club. Mrs. Cox lives in Visalia with her husband.

Mr. Robert Steuart is the Bookkeeping and Business Law teacher. He has also coached frosh football and frosh basketball. His wife also does substitute teaching.

Mr. Robert Harbin is the head of the Music Department. He is in charge of the Band, Choir, Dance Band, Pep Band and he also Counsels. He lives in Exeter with his wife and small children. Mr. Harbin has the honor of being the composer of the Exeter Monarch Fight Song.

Mr. Charles E. Zimmerman, a former graduate of Exeter High is now back to teach students History, Geography, and English. He also coaches swimming, and is the assistant "B" football coach.

Mr. Robert Eberspacher is a comparatively new English teacher. He's been here 3 years but shows signs of staying. He lives here in Exeter and has two children. Being very athletic, he coaches such extra-curricular sports activities as basketball and track. His hobby is boating.

Mr. Richard Eggertsen teaches Typing and Business. He is the coach of the tennis team and is quite a tennis player himself. He lives in Exeter and it is not an uncommon sight to drive by the school some sunny Sunday afternoon and see him out on the tennis court swinging away.

Mr. Eugene Shields is a Biology teacher, Drivers Training Instructor, Cross Country Coach, and for many years was varsity basketball coach. He is affectionately called "Shakey" because he is so concerned with school projects of all types.

Mr. Bert Holt, rightfully renamed "Mr. Baseball" due to his insatiable love of baseball; is a "real tough" Social Studies teacher. Though devoted to baseball, Mr. Holt does find time to be the Assistant Football Coach, too.

NOT PICTURED

Mrs. Bridgette Dobson, one of our new teachers, teaches speech and English. On the side, this year, she devoted much time and energy to helping several students compete in the Lion's Club Speech Contest.

First Row: Zane Spieser, Art; Evelyn Knapp, Senior Math, General Math, Algebra; Virginia Pinkham, French; Nona Veitch, Algebra I, II, Agriculture; Earl Pimentel, Spanish; James Stolz, Mechanical Drawing, Basic Shop; Stanley Beach, General Science, Physical Ed.; Advance Physical Science, Physics, Chemistry; Frank Wilson, American Government, History, Geography; Richard Ball, Wood Shop, Knudston, Auto Shop, Basic Shop, General Metals; Byron Harrison, Agriculture; Greg Seastrom, English; Charles Patten, Life Science.

Mr. Zane Speiser teaches arts and crafts and is the advisor for the art club. His wife teaches elementary school in Farmersville.

Mrs. Evelyn Knapp teaches math. Teaching seems to be in the family because Mr. Knapp is the head of the grammar school music department. She lives in Exeter with her husband and three daughters. This is Mrs. Knapp's first year at E.U.H.S. as a full time teacher although she has substituted in the past.

Mrs. Virginia Pinkham, as well as speaking very fluent French, has a vast knowledge of German and has toured many European countries with her two sons.

Mrs. Nona Veitch, head of the math

Trig/Solid Geometry; Barbara Sanders, Algebra I, II, English; Don Vierra, Henry Simpson, Business Math, Drama, Acta, Monarch, English; John Liston, Basic Shop; Glenn Biggs, U.S. History, World History, Humanities; Don Biology; Larry Allred, Physical Education.

department, teaches Algebra I, Algebra II, Geometry, and Trigonometry.

Mrs. Barbara Sanders teaches Algebra I and II as well as English IV. She lives in Visalia with her husband and daughter. She also has a son in college.

Mr. Donald Vierra graduated from the University of California at Davis and has been teaching agriculture here since the fall of 1958. He is always willing to give his time and energy for the school projects.

Mr. Earl Pimentel, known to the students as Mr. P., is our Spanish teacher. He is also a very good pianist and has become well known in Exeter for his ability to make a piano sing.

Mr. James Stolz teaches Mechanical Drawing and Basic Shop. At one time he was the boys P.E. teacher here. This year he is the head varsity football coach and the head track coach.

Mr. Stanley Beach is one of our new teachers. This is his first year here and, in fact, this is his first year in any high school. He says he enjoys coaching, but Physical Education isn't his only talent. He also teaches a General Science class.

Mr. Henry Simpson teaches English, Business Math, advises the publication of the Monarch and Acta, coaches the golf team, directs the school plays, drives a school bus, and enjoys photography in his spare time.

Mr. John Liston is another of our new teachers. He has charge of the Sciences, Chemistry, Physics and Physical Science. We hope Mr. Liston is happy in Exeter — he says teaching science is what he has always wanted to do — because we sure are happy with his pleasant, genial personality in and out of class. He lives in Visalia with his wife.

Mr. Franklin T. Wilson has taught English, Mathematics, Social Studies, Senior Problems and American Government. He attended Fresno State College and Stanford University and is the Senior member of the faculty having taught here longer than any other teacher.

Mr. Richard Ball is a Wood Shop teacher. He lives right here in Exeter with his wife and three sons. Many people know Mr. Ball for his great sense of humor but just as many, if not more, know him because of his singing ability.

Mr. Glenn Biggs is one teacher most students eventually meet in class. He teaches World and U.S. History, and Humanities. He lives in Tulare and as yet he is unattached. Mr. Biggs' favorite diversions are working with plants and driving his new car.

Mr. Don Knudsen instructs the metal shop and when he was asked what he wanted to be as a boy he replied, "Anything but a teacher." He lives in the country on top of a beautiful hill in a new home. He is considered as living in Visalia and he has a wife and several small children. Mrs. Knudsen has substituted quite a bit for E.U.H.S.

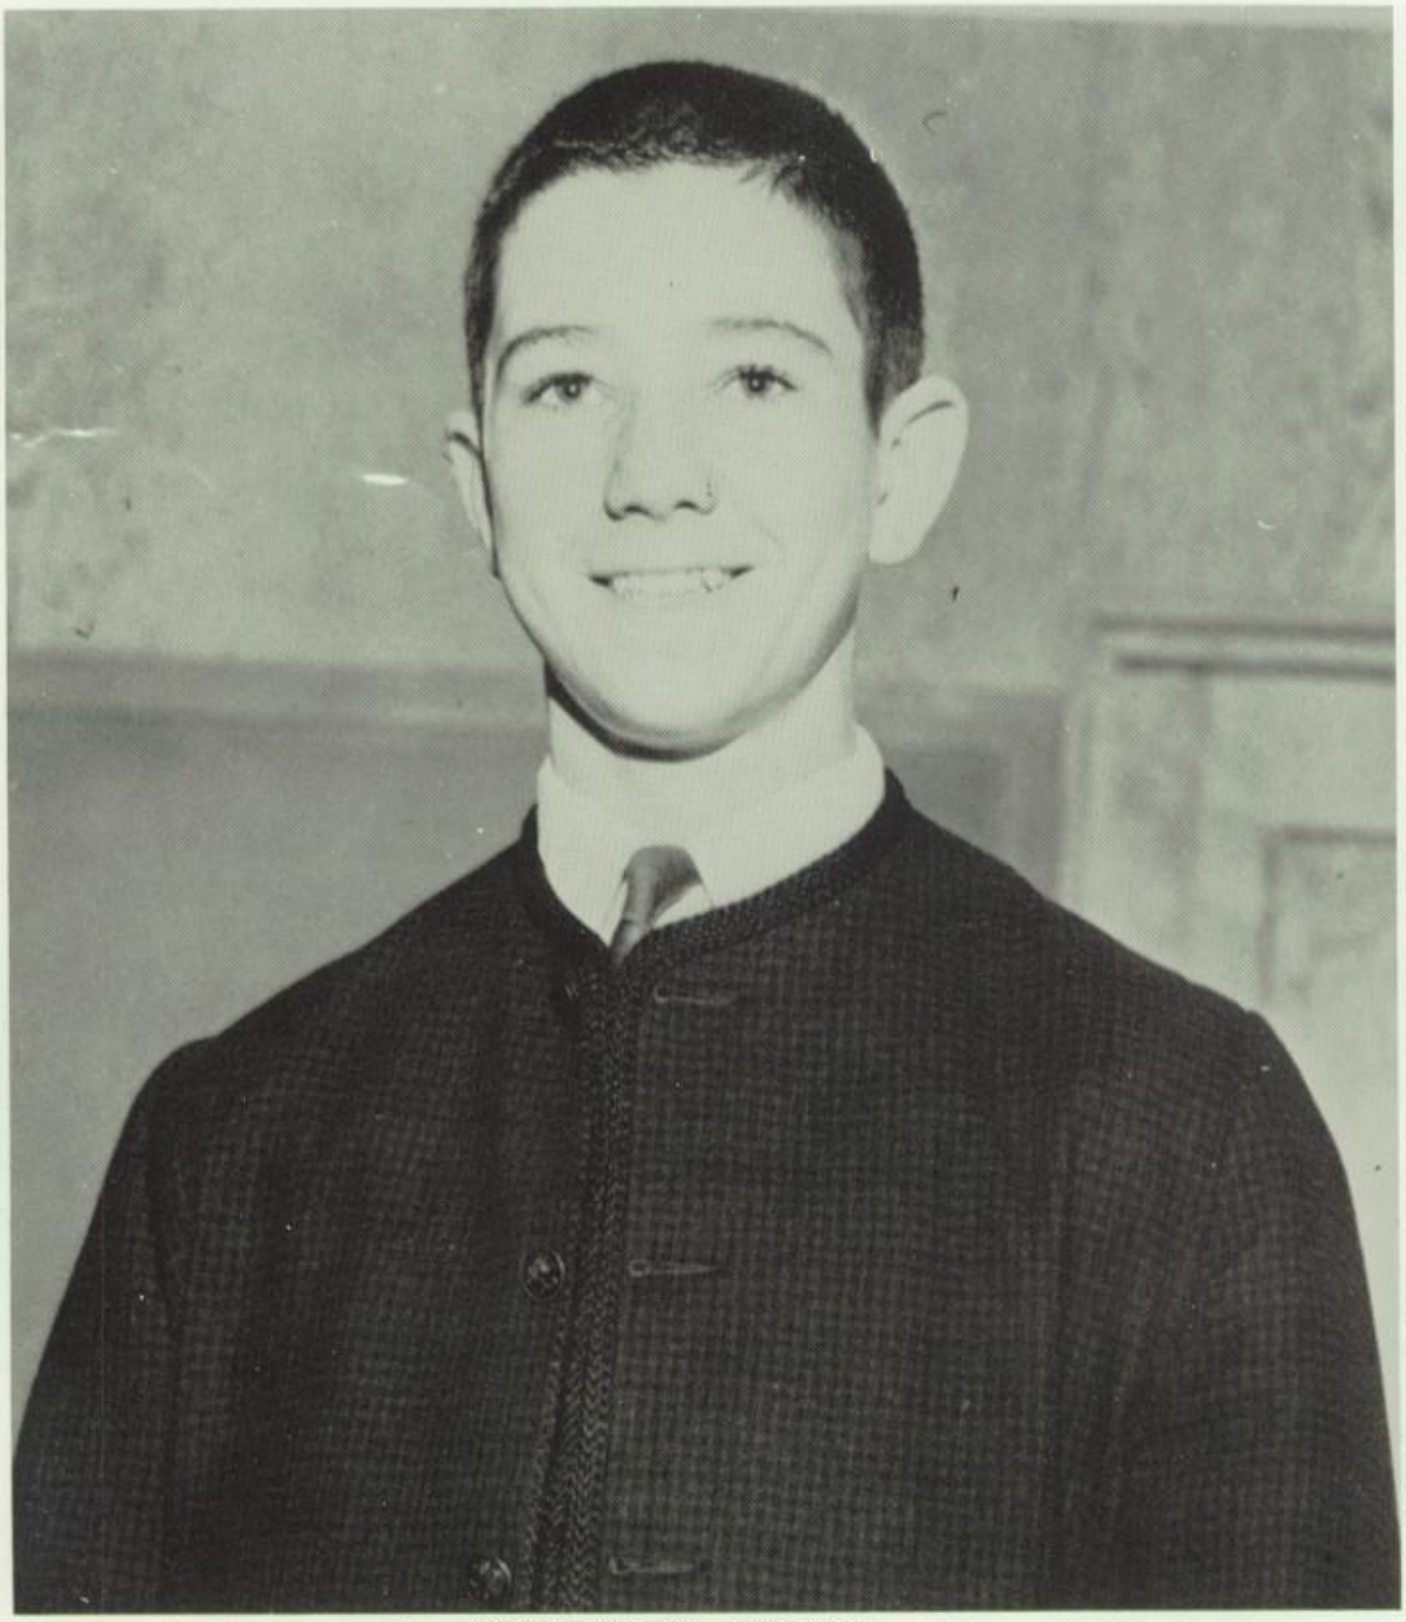
Mr. Byron Harrison is Ag. through and through. He teaches several agriculture classes each day and he loves it. He lives in town with his wife and two children. Mr. Harrison says his favorite pastime is playing golf but we hear it is really eating.

Mr. Greg Seastrom, head of the English Department, is another active person around campus.

Mr. Charles Patten, another of the new instructors at E.U.H.S., majors in science and biology. He is also the able coach of our great wrestling team.

Mr. Larry Allred, one of the most popular personalities on campus, is in charge of the Athletic Department. For diversion he joins the ranks of many who indulge in that national time-consumer: golf.

STUDENT BODY PRESIDENT AND COUNCIL



PRESIDENT'S MESSAGE

This past year has seen achievements for which you, as a student body, are responsible. The first annual Homecoming was an exciting event and one of which all of us can be proud. The combined efforts and fine ideas of so many of you helped to make the Homecoming the success it was.

Your student council was one of the most energetic that I have seen in my four years at E.U.H.S. They expressed genuine concern over the problems at hand and yet had the foresight to carefully consider the effects of their legislation on future years. They were a most wonderful group and were mainly responsible in helping to maintain our fine traditions.

To you as a student, there is an even greater challenge than the ones met by you and your fellow students thus far. You must always keep in mind the primary goal in your life. Strive to reach the heights. If you fall a little short, then you still won't be disappointed. No matter what your aspirations and dreams be, education is the key. E.U.H.S. can do much to help you achieve these goals. Profit from your stay here.

I wish to thank Mr. Horstmann, our Student Council Advisor, for his help to both the council and the student body as a whole. On behalf of the students, I would also like to thank the administrators and the faculty for a job well done.

In conclusion, I wish each of you a rich, fulfilled life and continuing success in the future.

Best Wishes,

Jimmie Martin

Student Body President

Aside from the usual yearly functions of a governing body this year's Student Council was responsible for several major projects. Perhaps the most widely known of their achievements was the establishment of the First Annual Homecoming and the governing rules for future Homecomings.

Several of the more routine activities, but equally significant in their own right were the student body card sales, planning of next year's assemblies, participation in an All Star Assembly, Membership in District and League Association of Student Councils, Membership in the National Association of Student Councils and representation at the 1962 Student Council Convention.

The last major items on this year's agenda were membership in traffic safety on and near the campus, the exchange student council programs, and the acceptance of a new club on campus (The Literary Club).

Impressed? This is only a sampling of the projects undertaken and completed. Many, many issues, bills and proposals were introduced and discussed by your 1962-63 Student Council.

CLASS OF '63

Remember when we were small, unimportant Freshmen just beginning our high school years? We have come a long way since then and we have done many things.

Our first year we learned the Alma Mater and Fight Song and our class was well represented in many activities. Eighteen girls served as prom servers and by the end of the year, the campus wasn't as big as it first seemed.

As Sophomores, we started off the year with an aftergame dance — "The Sophomore Hop." We felt a little more important our second year, especially when we chose our class rings and prepared to become upperclassmen.

Our Junior year was a very eventful one. We worked hard selling magazines and operating the concession stand at the football games. We earned over $1,000 which we used to entertain the seniors at our prom "Springtime in Paris." We received Algernon and finally we were on our way to becoming big SENIORS!

This year has been the most exciting. Our Senior Play "The Mouse That Roared," was a big success and it provided the funds for our Senior Gift. The rest of the year was spent in preparation for graduation: announcements, pictures, college entrance blanks, and practice for graduation night. We were honored at a Senior Banquet, the faculty provided a "ditch-day" and we were the guests of the Juniors at the Prom.

Finally, on June 7th, a high school career ended for the class of 1963.

CLASS OF "64"

The main objective of the Junior Class has been, since the beginning of the year, raising money for the Junior-Senior Prom. Every device conceivable has been employed in an effort to achieve the said goal.

They started off the year by operating the concession stand at the football games (at those football games they stuffed food down every mouth they could get their hands on!)

The traditional Junior Class magazine sale was a big success with Kathy Montgomery as the top salesman. Then the ever striving, ne'er relenting Junior Class sponsored and promoted a happy car wash (all right, we washed cars!)

As the school year came to a close, the Class of '64 enjoyed the best prom ever presented. Then . . . at last, the long awaited day of reckoning had arrived. THEY WERE SENIORS!

CLASS OF "65"

This is the Sophomore Class.

The Sophomore Class had one major achievement this year and it was enjoyed by all. That was the sponsoring of a dance with a live band. This was the last and best dance of the season. The guest performers were an ensemble called the Sting Rays.

Whew! What an exhausting year for the Sophomore Class!

This year's Freshman Class is the largest ever to enter "ye olde gates of education" at E.U.H.S. They had the novel idea of having a popcorn ball sale which made their financial status rise $20.00. The class added much to our school spirit. They are probably the only class that attempted three times to put on a skit for the pep assemblies, but failed due to circumstances beyond their control. They had a swimming and dancing party at the end of the year.

Class of '47, Rah!

This year marked the possible beginning of a new tradition in Exeter High. . .the Annual Homecoming honoring a different graduating class. This year the class of 1947 was chosen.

The festivities of the first Annual Homecoming began with nominations for Homecoming Queen being submitted by each student organization around campus. The club then sponsored and decorated a car to display their candidate in a grand parade.

At an assembly, each nominee was introduced. Jere Estabrooks and Bill Smith presented humorous dialogue as part of the entertainment.

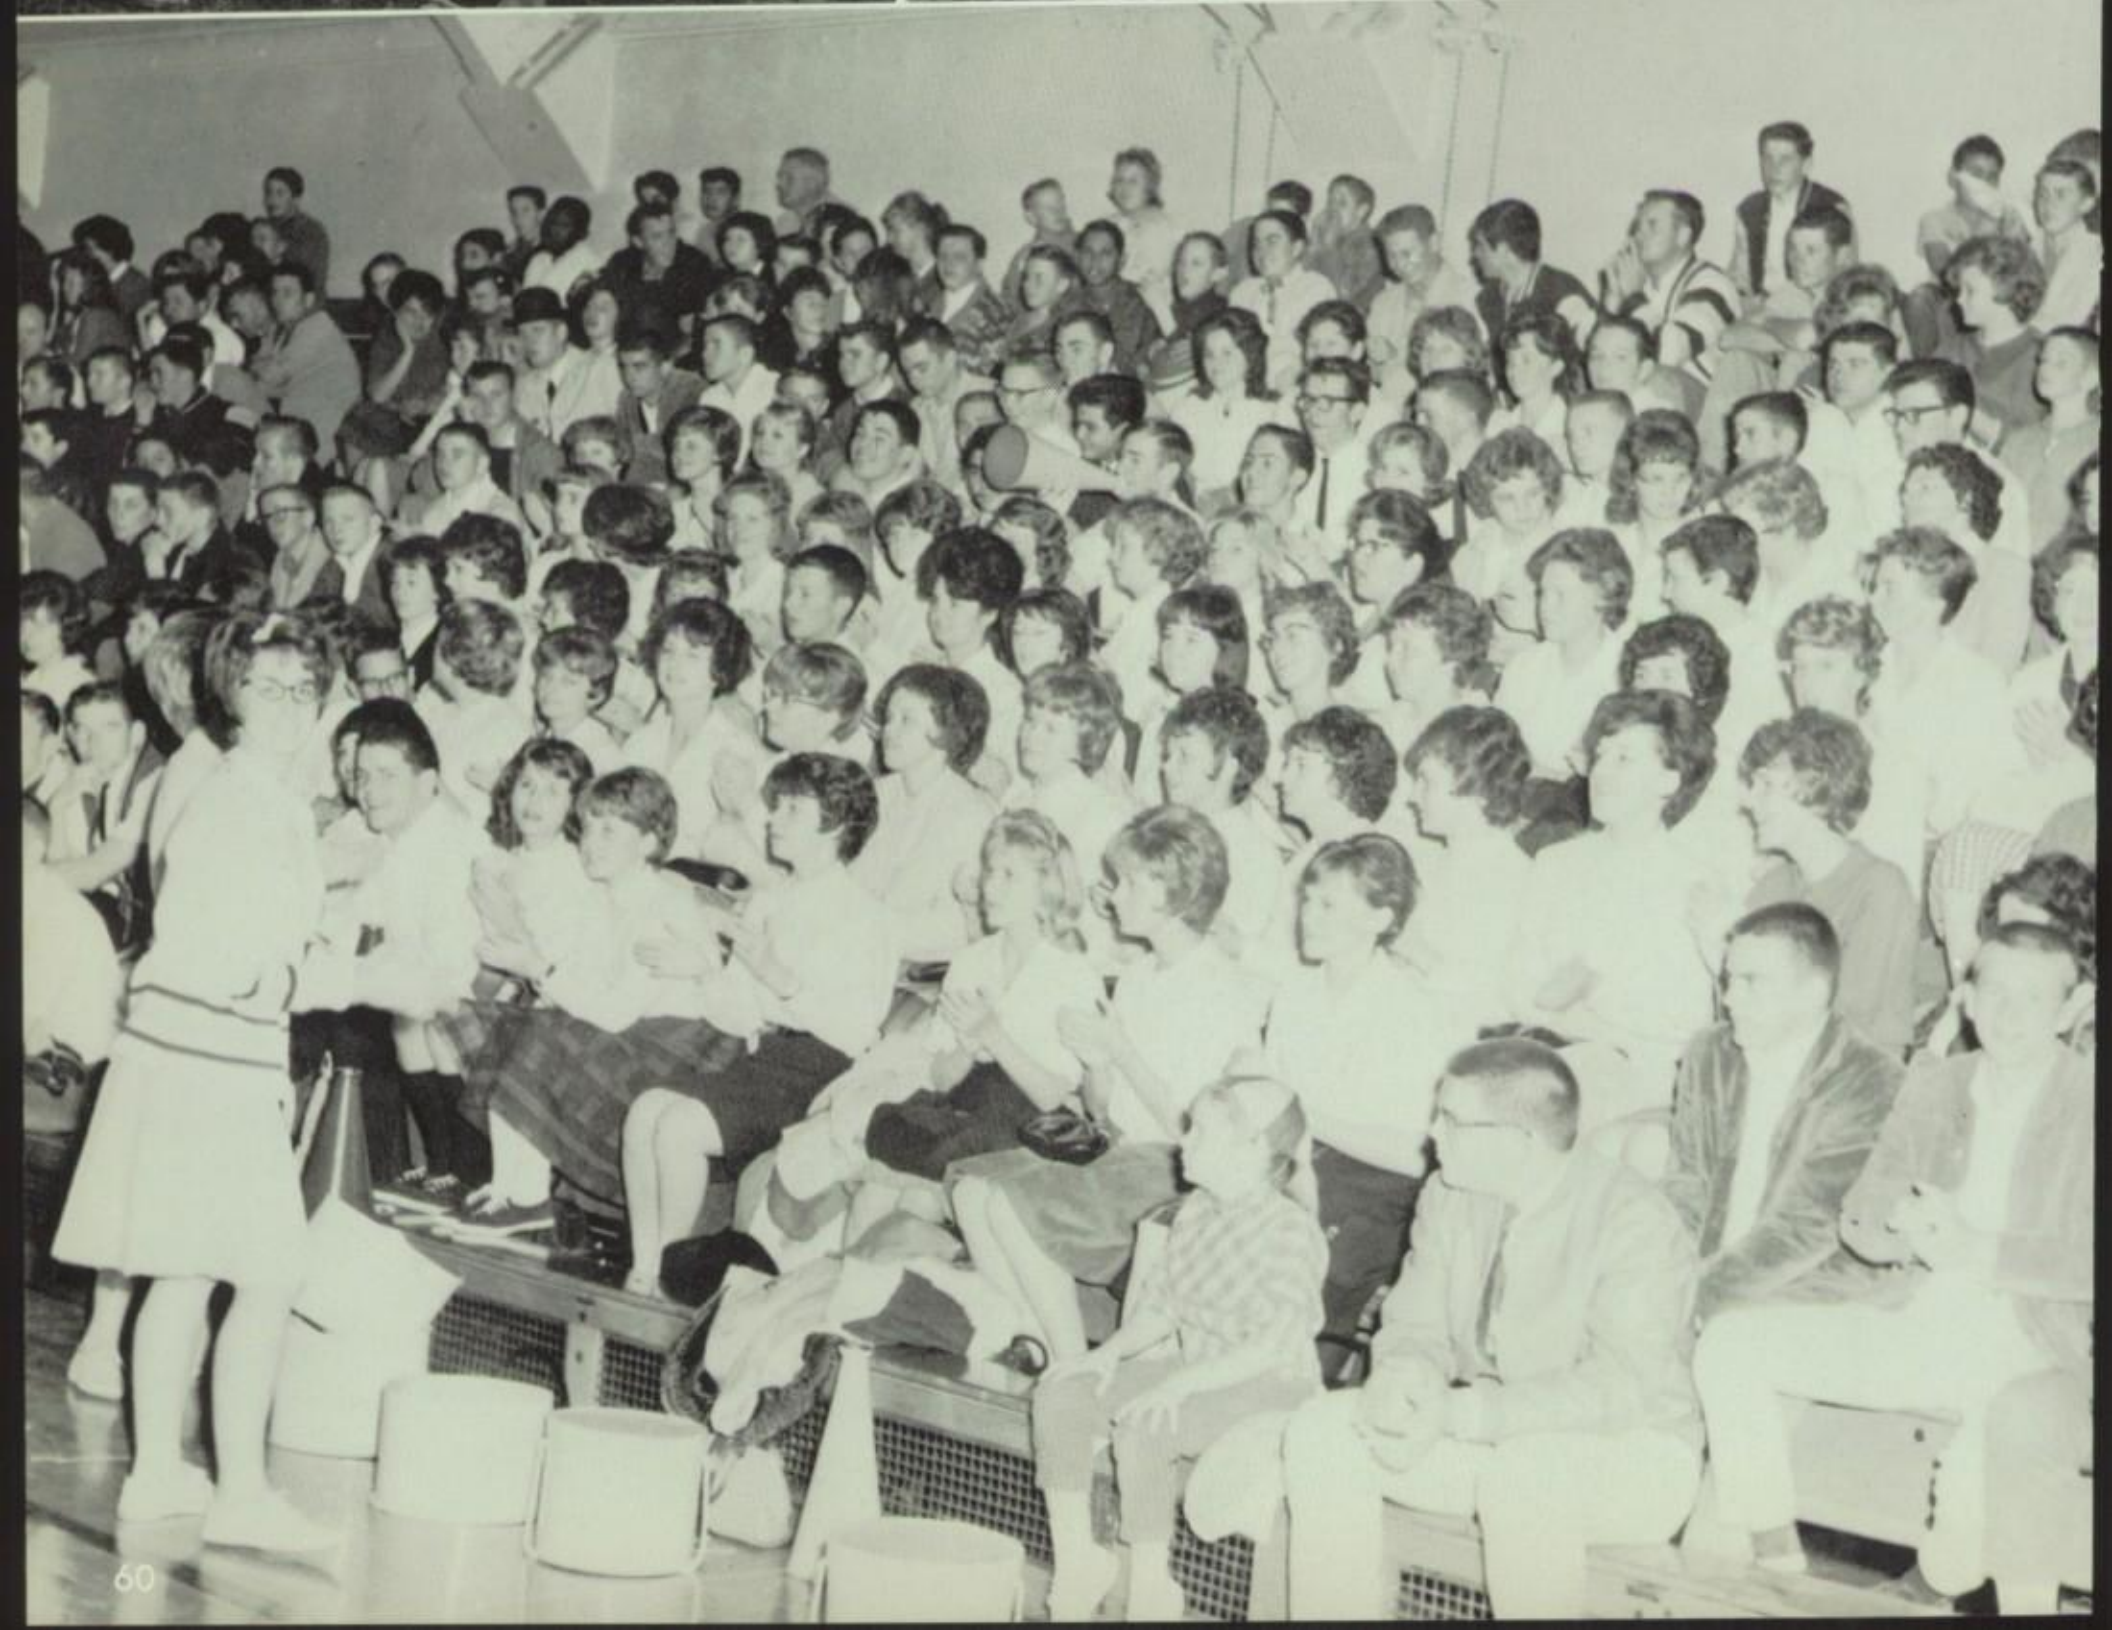
At the Homecoming game with Reedley, the candidates were once again introduced during the half-time and the student body election results were announced.

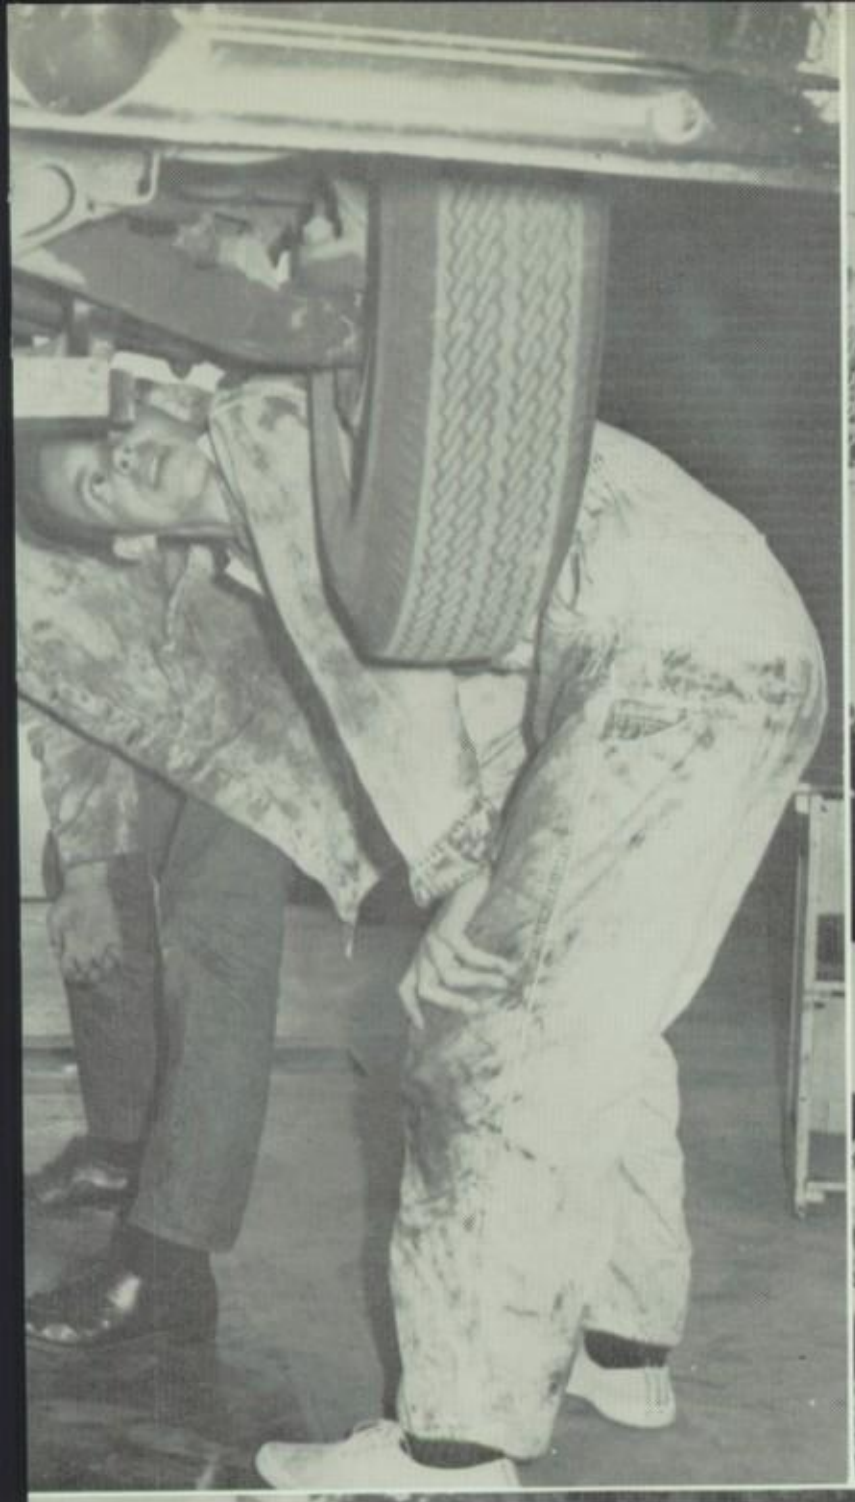
The float decorated by F.H.A. and candidate Judy Rice won the best decorated car.

Lena Rybring, this year's foreign exchange student from Sweden was chosen, by popular vote as the Homecoming Queen for 1963.

The band prepared a special half-time show in honor of the class of "47". Special invitations were sent out to all of the graduates of 1947 to attend the Homecoming game and banquet. After the game a special dance was held.

It took a lot of planning and involved a good many people, but in the end, it was generally acknowledged that this year's Homecoming was a remembrance and a success.





I would like to take this opportunity to thank the whole student body for this wonderful year at E.U.H.S. I have come to love this school as much as my own. All of you have been so friendly and have made this a most memorable year for me. Every day, whether it has been in a classroom or as a homecoming queen, has been a wonderful experience. Words cannot express what I feel about it. This year has been the greatest experience in my whole life!

The American Field Service is one of the greatest organizations in the whole world and I cannot express enough my happiness of being able to participate in this program. I hope I have been able to add a little understanding between people from different parts of the world. One of the things I discovered was that people are not very different. Especially the teenagers who seem to be the same all over the world. I just wish that more students could get this opportunity to learn to know another country this way.

Thank you again a thousand times.

Yours sincerely,

Lena Rybring

BAND

Exeter is noted for many outstanding features and the greatest of these is the Exeter Monarch Band. It is proudly hailed as one of the best in the valley and has received several local awards. The band marches and plays in several parades each year as well as performing for the half-time audiences at the home football games. The concert band has one major function each year and that is the annual Spring Festival. Then, in the early Spring, the band once again dons marching apparel for a few parades to wrap up an active year.

PEP BAND

Giving a lift to every pep assembly and adding to the excitement of the games, the Pep Band has done a lot to generate and promote school spirit.

Steve Heathman, a senior with two years of pepping behind him, spent his third year as student director.

CHOIR AND DANCE BAND

Choir is a regular fifth period class at E.U.H.S. and you may have heard them practicing for their annual Spring Concert which they present every year. This year there was a shortage of boys and a surplus of girls. Only the girls complained.

The Dance Band, this year, played for one ofour school dances, provided a lighter form of entertainment at the sports awards assembly, participated in the all-schools assemblies, and performed for some of the local organizations including the Lions' Frolics.

"BLITHE SPIRIT"

Charles Condomine, worldly novelist, seeking the jargon of mediums for his new book, invites Madame Arcati to his home to hold a seance. His friends, the Bradmans, are invited to sit in and watch. Accidentally, Elvira, Charles' first wife, is brought back from the dead and it takes quite a bit of doing to convince Ruth, the present Mrs. C., that she is really there and he is not going mad.

Ruth is killed in a car accident and a seance, held to get rid of Elvira, brings back her spirit, too.

Edith, the Condomine's maid, is discovered to be psychic (Madame Arcati learns this from her crystal ball) and by thinking of Elvira at the wrong moment she caused her to materialize. Madame Arcati hypnotizes Edith and sends both wives away. So, as the play ends we see Charles, free at last, going on a tour of the world as the wives, invisible now, are tearing the house down.

Carole Callison, Edith; Diane Hejny, Madame Arcati.

Dorothy Kizziar, Terry Jones, Cindy Botkin, Robert McGuire, Marjorie Tomlinson, Jim Pinkham.

THE MOUSE THAT ROARED

This year's Senior Play had the longest run (2 days), was the biggest financial success (over $500) and was considered one of the finest theatrical productions in the Senior history of E.U.H.S. Both performances played to near capacity houses.

The cast of over forty seniors presented Leonard Wibberly's famous comedy, "The Mouse That Roared."

Pat Gilmore and Bruce Brandt did superb jobs in the leading roles.

JUNIOR-SENIOR PROM-1963

This year the class of 1964 honored the class of 1963 at the Junior-Senior Prom entitled TROPICAL ENCHANTMENT. The decorations were vivid, and the atmosphere was just like that of a tropic isle. Music was provided by the Cal Poly dance band and everyone who attended enjoyed and appreciated it and will have fond memories of this occasion for years to come.

AMERICAN

Starting off the year by planning the Homecoming Banquet, Exeter High's newest club, the A.F.S., proved itself as an active organization on campus. Among other things, the A.F.S. sponsored two dances — one on their own and the other with the support of the local chapter.

They organized and promoted a rummage sale in the hopes of earning enough money to back two foreign exchange students this summer. Bob Waterman was chosen last year to visit Finland in the summer.

Marc Wespie, exchange student from Switzerland to Palo Alto, changed schools with Lena, our exchange student, for one week which was an added joy. He showed slides from his country to interested members of the student body and presented an interesting and informative talk.

The final undertaking of the A.F.S. was a work day.' This was one day that the members of the club presented their services to the community members. The money earned by this venture will go to the Students Abroad Campaign.

The California Scholastic Federation is made up of the upper ten per cent of the students in scholastic standing. This year they aided the Patron's Club in ticket sales and planned a dinner for the graduating seniors who were members of the club for four semesters or more. Also, they ushered at the graduation exercises.

In April, they attended the Spring Conference in Visalia.

FOREIGN LANGUAGE CLUB

E.U.H.S. offers two foreign languages to interested students. They are Spanish and French. Spanish has been a long established subject at Exeter while French is relatively new. Any student taking a foreign language or having taken one is eligible to participate in one of the largest clubs on campus: The Foreign Language Club.

The main purpose of the F.L.C. is to offer an opportunity to interested and capable language students to explore the many facets of foreign languages. They can, via the F.L.C., work with students of another language and thereby exchange ideas and delve further into the fascinating world of semantics.

Mr. Pimentel, easily one of the friendliest, best natured and most concerned of teachers and definitely one of the most popular, was in charge of the F.L.C. Mr. Pimentel headed a group of over 70 interested students as they moved forward in a relentless search for something to do.

This is the Drama Club. The Drama Club has members. See the nice members. The members had two meetings. One was when they became members and the other was when they had their pictures taken.

Isn't this a nice club?

FUTURE BUSINESS CLUB

Just before Christmas the Business Club had a cookie sale. Then, they took a trip to the Lindsay Olive Plant to see the Friden tape talk machine. A special tape recorder that would activate other tape recorders with a verbal command. They planned a demonstration and a movie by the Edison Co. covering job opportunities and closed off the year with a club party.

RALLY CLUB

Rah-Rah-Rah! The Rally Club decorated for every home football game and they had club members on hand during both the A and B games taking tickets.

To arouse and promote school spirit they sold blue and gold megaphones and pom poms. 400 man hours were spent in building the float that carried the Homecoming Queen. This, alone, would be plenty to keep one club very active but did the Rally Club stop here? No they did not!

They built a big thumb to take to football games and made an E.U.H.S. Spirit Jug that accompanied us to all games. When the lid of the jug was removed, school spirit sprang forth in the form of flames and smoke.

All in all, this year's Rally Club was a big success in lifting spirits throughout the season!

HEALTH

One of the most productive clubs at Exeter High is the Health Club, just break your leg during one of the meetings and find out!

Seriously, the Health Club is a very worthwhile organization. Students receive a forematical training in family-health. As well as learning, students perform beneficial services for others such as working after school at the hospital, and making Christmas decorations for the Convalescent Ward at the hospital.

Of course there were the more "campus-y" activities as well. They made a float for the Homecoming, had instruction in Child Care, and took a tour of the Porterville State Hospital.

Cindy Davidson and Karen Young received a special citation of merit for donating 100 hours of voluntary work at the hospital. Ten other girls, pictured below, received recognition for their 50 hours of time.

BIG, AREN'T THEY!

The Block "E", for those who may not know, is a club with the exclusive membership pre-requisite of being a Varsity Letterman.

Their nominee for the Homecoming Queen won and this was quite an honor for them. They furnished refreshments for the athletic teams and managed the Block "E" parking lot. Not least remembered was their sponsoring of an after-game dance and their Wild Pep Assembly skit — Rah, rah, rah! Mr. Allred did an outstanding job as club sponsor.

ACTA STAFF

The squeals, screams and shouts that were heard from Mr. Simpson's 7th period class were none other than the natural sounds of industrious Acta Staff hard at work.

We made over 1,000 negatives. Pages were planned, well balanced and attractive. Mr. Nick Dailey from the Encore Camera Co. came and took the individual class pictures (color this year). The literary was written and approved. The finished product was then sent to the company to be printed.

The main branches of the staff are: Photography Editors, Jane Thompson, Patsy Russel; Business Managers, Elayne Weddle and Sunny Caddell; Advertising Supervisors, Angie Nunez, Susan Hansen; Art Editor, Nancee Hodge; Typist, Angie Nunez; Literary Editor, Jim Fisher.

The rest of the staff members were assigned sections of the book to work on. Sandie Caddell, Marilyn Journey and Diane Names were in charge of Organization. Brenda Marlin and Louise Strong prepared the Activities pages; Juanita Yadon worked on classes; Margaret Sanchez and Joyce Tomlinson, Sports; and Susie Price took the faculty section.

MONARCH STAFF

Every Wednesday the members of the Exeter High School Student Body received their own personal copy of the Monarch, Exeter High's very own newspaper.

The Monarch had a different editor each quarter. During that time it was her job to govern the production of the weekly one page round-up of the current happenings around campus.

There were two regular features in our periodical. One was the "Sifted Soot." The was an anthology of the more earthy goings-on. The other, the personality of the week, was the complete low down (height, weight, likes, dislikes, etc.) of one individual. selected at random each week. This, along with assorted sports coverages, club news, an occasional joke and student activities in general made up the Monarch. Mr. Simpson was the advisor of this happy crew.

FUTURE
OF

There are certainly many great clubs on campus. There are entertaining ones and exhausting ones. But, as yet, few have measured up to what the F.F.A. has to offer.

This organization extends to interested boys an opportunity to prepare themselves for a chosen field. Many of the members, all students of Agriculture, are taking part to further their education in Agriculture. Still others are using the program as a supplement to their major interests; seeking a basic knowledge of the main source of livelihood in their community.

The many activities that they participated in are listed below.

Sept. 25—F.F.A. Fairday at Tulare County Fair.

Nov. 16—Local Co-op Quiz.

Dec. 8—Cotton and Citrus Judging at Fresno State College.

Feb. 9—Tree and Vine Judging Contest.

Feb. 28—Lindsay Citrus Contest—Hittson 3rd high individual overall contest.

March 30—State Final Citrus Judging Contest.

April 30—Parent and Son Banquet—Theme—"The Old West."

FUTURE HOMEMAKERS OF AMERICA

"Women of America, unite!"

The F.H.A., one of the 'homiest' clubs on campus, really put its shoulder to the spinning wheel this year.

About 20 girls joined the group which went to Bakersfield for the annual sectional meeting of the Future Homemakers of America.

A nice profit of $50.00 was made when the F.H.A. members sold dessert recipe books. The money they took in went to purchase new place mats for every kitchen.

The Homemaking girls gave the faculty a Valentine's Day Tea.

They made cake, cupcakes, brownies and creampuffs that were sold at brunch. $29.00 was taken in from this venture.

During the Christmas season, the Freshman-Sophomore F.H.A. girls sold Christmas wrappings, tape and decorations, thus wrapping up an active school year.

LIBRARIAN CLUB

The student librarians, who attend librarian meetings one period of every week like a class (with tests and everything) began the year by attending a convention of the Northern California student librarians at Redwood.

They sponsored a candidate for the Homecoming and decorated a float in her honor.

The final activity of the Librarians was the Spring Convention at Porterville.

ART CLUB

Since the main purpose of the Art Club is art, many art projects were undertaken for the benefit of the school. Such worthy contributions as scenery for the school plays and advertising posters, among others, were greatly appreciated.

The Art Club toured the Fresno Art Center, Applehouse Gallery at Three Rivers and the Tulare County Art Museum. For a breathing spell, the members went on some very homey sketching excursions around campus and elsewhere.

Even the community benefits from the earnest efforts of the Art Club. For example, Mr. Speiser and his group made very attractive placements for the Historical Society Meetings and Mr. Speiser, with the aid of a few students, contributed much to the success of the Annual Lions' Club Frolics in the form of back-drop scenery.

We are very fortunate, indeed, to have such an active and artistic club representing us.

VARSITY

This year, Lindsay, our proverbial 'ice breaker', proved a stronger match than they had in the past two years when they got an edge on the Mighty Monarchs — and kept it to the finish — 19-0, their favor. We gave Woodlake a go of it, though, before succumbing 13-12.

Selma did a pretty thorough job of it 27-0 and although Exeter's defense couldn't hold up under the fierce advancement, the Bears really had to fight our offense.

We made a strong opponent for Sanger and Orosi — but not strong enough, unfortunately. The scores for those two games were 21-7 and 41-13.

FOOTBALL

Glory was almost ours when the Murderous Monarchs gave the battle of the season to Dinuba. In fact it seemed the game would end in a scoreless draw until Dinuba managed to score 12 points late in the game.

Reedly, our opponent for the Homecoming, managed to "edge us" 33-20.

Fowler was the last game of the season and we were ready for this one. With a lot of determination, improvement during the earlier part of the season and school spirit WE met the high spirited, hard fighting Fowler team and finished them off 27-20.

Though it was their only victory during a difficult season, they were a worthy team and we are mighty proud or our Mighty Monarchs!!!!

"B" FOOTBALL

Losing to Lindsay 14-13 didn't dampen the spirits of the Mighty Little Monarchs and smearing the Woodlake Tigers 41-0 . . . well, that was just great!

Faces fell when Selma went home with a 19-7 victory and it was even more heart-rending when Sanger gave us a nasty leer and took the game 20-7.

When Orosi slapped down a 24-7 victory a glum Student Council was ready to issue an ordinance banning the use of number '7'.

We were back in business again, however, when the Little Monarchs murdered Dinuba 19-6 and what could be more fitting for a pre-homecoming game than to have one of our teams make a smashing victory? Well, this is exactly what the Little Monarchs did when they played Kingsburg 34-12. Sadly enough, we didn't do so well during the Homecoming when we lost to Reedley 27-0.

The last game of the season was played with Fowler and this we won! With a score of 14-6 we finished the season with one of the most exciting last games in the history of E.U.H.S. B Football!

FRESHMAN FOOTBALL

What would you get if you crossed a determined Freshman and a fighting football player? The Frosh Team!!!—that's what!

The un-sung, un-heralded guys who fought just as hard as the Varsity Boys. What? You never heard of them! — You will! They will be the backbone of our future football teams.

CROSS COUNTRY

This year's cross country team was composed of eight boys. We had a few returning lettermen from last year. As a team we didn't fare too well but we had several bright spots by individuals. Phil Ogas was our best runner and he was elected as the team captain.

For those of you who might not know, a cross country team consists of five actual runners and two "spares". A race is 1 and 2/10 miles. Our best time this year was 11 4/10 minutes — and that is really moving along!

TRACK

Meets were won and lost, records were set and broken and champions were made. The only sensible way of reporting this is to categorize the topics.

CLASS A

Dinuba 58	Exeter 50	Kingsburg 32
Reedley 72	Exeter 45	Fowler 22
Sanger 73	Exeter 42	Selma 27

Exeter won 3 and lost 3

The outstanding player was Steve Stanley who placed 4th in the shot put with a new school record of 53' 3¾", and placed 5th in the discus with a new school record of 155' 9¾".

Other new school record holders are:

CLASS C

Gary Kunkle—11' 9" in pole vault.
Bill Hansen—51' 5" in shot put.
Quinten Lovell—120'3" in discus.
Ron Parton—10:7 in 100 yd. and 19.2 in 180 yd. dash.

WRESTLING

Think of some nice, long, complimentary adjectives and then aim them at your wrestling team.

This year, Jeff Ogas, a freshman, Bob Davenport, and Nick Nino, both seniors, represented E.U.H.S. by competing in the Valley Meet. Bob Davenport placed 4th in the competition and Nick Nino, our star wrestler, took second place!

As a team we placed 6th in the small schools meet and 4th in the league meet. Alex Guzman, another of our top wrestlers, came out with a seasonal record of 14 wins and only 3 losses.

Out of the 30 teams in the Valley Meet we placed 14th with 15 points, which is more than we have ever won before.

Not a little of this year's success was due to our wrestling coach, Mr. Patten. This was his first year at Exeter High and we hope it won't be his last.

SAND, SUN, SONGS AND FUN— MAY 16, 1963!!!

Avila Beach was invaded by the Senior Class of E.U.H.S. on Wednesday May 16th.

The fun consisted of a football game along the shore and songs by the many talented members of the "Class of '63."

Wild, wooly-haired and weary, the SENIORS returned to Exeter late Thursday night.

EDITOR'S MESSAGE

MARY LAVEDOCK

Throughout the Acta I have tried to captivate our school symbolism and radiate its spirit. In doing so, this year has been one of work as well as enjoyment for me as your 1963 Acta editor.

I have worked many hours both day and night to present an annual you will always remember. However, I have had a lot of help from the Acta Staff which I would like to acknowledge. The illustrations were created by artistic Nancee Hodge. The literary talents belong to Jim Fisher who has written and written to please everyone. A great deal of typing was done by Angie Nunez. Credit goes to Susan Hansen for collecting advertisements and the ad lay-outs, and Chuck Archer and Mr. Simpson for photography. Thanks to Warner Walker for advice and quick camera repairs. There are many others who also devoted long hours of work so we could present this annual to you.

It gave me a great deal of pleasure, on behalf of the Acta Staff, to dedicate the 1963 Acta to our advisor Mr. Henry Simpson. He has devoted a great deal of time and work to present this Acta as well as those in the past. He has helped in many other activities during his years at E.U.H.S., and we owe him a great deal of thanks.

Mary Lavedock

ALMA MATER

Let our proud colors wave on forever,
Dear old gold and blue.
We are ready to fight for each other
'Til victory carries through.
We will fight each other's battles,
To others' aid we'll fly;
Our strong band shall ne'er be broken
And it can never die.
So our proud colors wave on forever,
Oh, Hail to Exeter High.

FAREWELL!!

MONARCH FIGHT SONG

March on; march on;
You fighting Monarchs, Monarchs,
Fight on, you Monarchs tried and true.
Fight on; fight on to glorious victory!
Raise the flag of gold and blue!
(speak) Fight! Fight! Fight!
March on; march on,
You fighting Monarchs, Monarchs,
Shout out the victory song!
Onward, ever onward to the goal
As we fight on and on.

IN MEMORIAM

Miss Ruth Sherred, beloved Dean of Girls at Exeter Union High School, who died June 16, 1963, while completing work on the integrated Spanish-Biology program for the State Department of Education at Sacramento.

The girls at Exeter High had Miss Sherred's guidance from 1955 until the end of the 1963 school year. We all shall miss her, and wish her HAPPINESS EVERLASTING.
